With kind regards

Your TeMeCo Team

	<p><b>Modernisation of testing machines</b></p> <p>Our strength: on-site customer service and support. Even when TeMeCo was still a subsidiary of Schenck Testing AG, TeMeCo attached great importance to after-sales service. This also includes the modernisation of testing machines. We remain true to our old slogan and our customers.</p> <p>More: <a href="#">Modernisations</a></p>
	<p><b>Fakuma - Trade Fair for Plastics Processing</b></p> <p>REMINDER - Our partner GÖTTFERT will present new products at the FAKUMA trade fair for plastics processing in Friedrichshafen.</p> <p><b>Hall B2, Stand B2-2122</b></p> <p>More: <a href="#">Fakuma</a></p>
	<p><b>Walk-in climate chambers in 3 sizes</b></p> <p>BINDER's walk-in climatic chambers offer a wide range of features and benefits to perfectly meet the requirements of stability testing.</p> <p>More: <a href="#">WIC chambers in 3 sizes</a></p>
